17th January 2019

Dear Parents/ Carers,

FLYING HIGH

As part of our Early Years Foundation Stage curriculum, it is lovely to be able to celebrate the children's achievements. We do this throughout our day when your child has tried something new, tried their best, been a kind friend, listened well.... It would, however, be wonderful to share those achievements that we don't see at school.

To do this we have created a 'Flying High' display, which we would like to show off even more amazing things about your child. We need your help though. In order to celebrate things your child does outside of school we will be sending some coloured circles home throughout the next 2 terms for you to detail achievements on. The first is attached to this letter! For some circles, we may ask for specific information and others it may be a chance to pass on information about your child that we wouldn't otherwise find out. This could be gaining a certificate for sport, starting Rainbows or Beavers, gaining swimming badges, sleeping in their own bed for a whole night, trying a new vegetable at dinnertime. The list could go on.

For this circle, we would like to link them with this term's Christian Value and we would like to know if your child has persevered with anything recently that they have found tricky. At school there may be activities in the class that your child may find a little difficult to begin with but we have been thinking about the need to persevere with them and challenge themselves in order to achieve. The same can be said for things at home. Things that your child may have persevered with may be riding their bike or scooter, walking a distance longer than they are used to, playing a new game with tricky rules, tidying up! I'm sure your child has had many opportunities to persevere and we would love it if you could write an example down on the attached circle so that your child can share it with their friends.

We would like the circles back in on **Wednesday 23rd January** so that we can share them in class.

Thank you for your support with this activity.

Yours sincerely

L Abbey
